# TRADE FAIR FORWARDING

As a trade fair exhibitor, you have plenty to worry about. By using LEMAN as your trade fair forwarder, you will have fewer things to keep track of – both before, during and after the trade fair.

We take care of transport of exhibition materials all the way to the exhibition stand, create any necessary documentation, storage of packaging and consumables, customs formalities for and transport of sold goods, and return transport when the trade fair is over.

We solve the problems from start to finish. Our worldwide agent network and the local expertise will help you with the precise conditions that apply to the specific trade fair.

You will obtain a fixed contact person, to whom you can call around the clock. Then you can concentrate on hosting the fair - and bring home the customers!

**Call us directly: +45 63 11 21 65 or +45 63 11 21 66**
