TRADE FAIR FORWARDING

As an exhibitor there is more than enough to think about. When you use LEMAN as your trade fair forwarder, you get fewer tasks to keep track of - before, during and after the fair.

LEMAN takes care of all the transport of exhibition materials all the way to the exhibition stand, preparation of documents, storage of packaging and consumables, customs clearance and transport of sold goods and return transport when the exhibition is over.

We solve the task for you from start to finish. We have a **worldwide affiliate network**, and the local expertise in the recipient country helps you with the conditions that apply at the specific fair. You are assigned a dedicated contact who you can get in touch with around the clock. All you have to do is concentrate on completing the fair - and getting the customers in!
